You have choices. You may choose to receive the medical model of care, which could include drug therapy or surgery. Other therapists may be able to perform similar treatment protocols as well. The risk of such may be more, less, or equal to chiropractic.						
Your treatment is designed to provide the optimum conditions to restore and maintain good health. Duration of treatment is based upon the nature of the problem. Treatment duration is only an approximation of time or a number of treatments based upon similar instances or the opinion of the doctor. This does not guarantee an outcome, nor is it a contract of an kind.						
I acknowledge I have discussed or had the opportunity to discuss the nature of the information presented and therefore consent to chiropractic examination, adjusting and therapy.
